

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **REGISTRATION INFORMATION**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

**1. Is the vehicle identified above still in your or your company's possession?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **DISPOSAL**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **Did you dispose of this vehicle prior to January 1, 2007?**
2. **When did you dispose of this vehicle?**
3. **How did you dispose of this vehicle?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## ACQUISITION

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **When did you obtain this vehicle?**
2. **When you obtained this vehicle, was it new or used?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **LEASING**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **Was this vehicle leased during 2007?**
2. **Which of the following do you represent?**
3. **How did you lease this vehicle?**
4. **Was the leasing agreement for 12 months or more?**
5. **Which of the following did the leasing agreement include?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **TYPE OF VEHICLE**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **Which body type most closely resembles this vehicle?**
2. **Which best describes this vehicle? [tractor or other truck]**
3. **For trucks other than tractors, which of the following most closely resembles this truck's body type?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **PHYSICAL CHARACTERISTICS**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **What is the total number of axles on this vehicle?**  
**What is the total number of axles, including liftable axles, on this vehicle?**
2. **From question 1 above, how many axles are driving (powered) axles?**
3. **From question 1 above, how many axles are liftable axles?**
4. **From question 3 above, how many of the liftable axles are located in the following locations?**
5. **From question 3 above, how many liftable axles are braking axles?**
6. **What type of brakes does this vehicle have?**
7. **What type of cab does this vehicle have?**
8. **Does the cab of this vehicle contain a sleeper?**
9. **What type of transmission does this vehicle have?**
10. **Does this vehicle have any of the following permanent equipment?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **TIME OPERATED**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **During 2007, what reasons (if any) was this vehicle NOT in use for periods of 90 consecutive days or more?**
2. **During 2007, how many months was this vehicle used?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **HOME BASE**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **Did this vehicle operate from a home base location during 2007?**
2. **Where was the home base of this vehicle on July 1, 2007?**
3. **What was the type of home base from which this vehicle operated?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **MILES**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **How many miles was this vehicle driven during 2007?**
2. **How many miles has this vehicle been driven since it was manufactured?**
3. **How many miles-per-gallon (mpg) did this vehicle average during 2007?**
4. **What was the approximate percent of this vehicle's 2007 mileage for each of the following jurisdictions?**
5. **What approximate percent of this vehicle's 2007 mileage was accounted for by the type of trips listed below?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **FUEL AND MAINTENANCE**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **During 2007, what type of fuel or fuel combination was most often used in this vehicle?**
2. **During 2007, at what type of location was this vehicle typically refueled?**
3. **During 2007, who performed any GENERAL maintenance (oil change, brake change, headlight replacement, etc.) on this vehicle?**
4. **During 2007, were any EXTENSIVE repairs (driveline repair, engine repair/rebuild, transmission repair/rebuild, differential repair/rebuild, etc.) performed on this vehicle?**
5. **Who performed these EXTENSIVE repairs?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **VEHICLE CONFIGURATION\***

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **What was the approximate percent of this vehicle's 2007 mileage for each of the following vehicle configurations?**
2. **How many axles were on the trailer(s) most often pulled by this vehicle?**
3. **What was the length of the trailer(s) most often pulled by this vehicle?**
4. **What was the exterior width of the trailer(s) most often pulled by this vehicle?**
5. **What was the total length of this vehicle or vehicle/trailer combination?**

**\*Note: Wording of these questions has been paraphrased and do not represent exact wording found on the questionnaires.**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **WEIGHT**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **What was the empty weight of this vehicle or vehicle/trailer combination?**
2. **What was the average weight (vehicle weight plus cargo weight) of this vehicle or vehicle/trailer combination as it was most often operated when carrying a typical payload during 2007?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **KIND OF BUSINESS**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **Which of the following best describes your business (or part of your business) in which this vehicle or vehicle/trailer combination was most often used during 2007?**
2. **What was the approximate percent of this vehicle or vehicle/trailer combination's 2007 mileage for each of the following operator classifications?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **FOR-HIRE**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **What was the approximate percent of this vehicle or vehicle/trailer combination's 2007 mileage for each of the following kinds of carrier?**
2. **What was the approximate percent of this vehicle or vehicle/trailer combination's 2007 mileage for each of the following kinds of service?**
3. **In 2007, what percent of this vehicle or vehicle/trailer combination's hauls (including backhauls) were found from the following sources?**
4. **From ANY of the sources listed in question 3 above, what percent were found through the use of the Internet?**
5. **In 2007, how many pickups and/or deliveries did this vehicle or vehicle/trailer combination average in a week?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## **PRODUCTS, EQUIPMENT, OR MATERIALS**

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **What was the approximate percent of this vehicle or vehicle/trailer combination's 2007 mileage for each of the following categories?**
2. **From question 1 above, did you report 100% for EMPTY mileage?**
3. **During 2007, what products, tools, equipment, or materials did this vehicle carry, and what approximate percent of LOADED mileage were they carried?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_

## HAZARDOUS MATERIALS

The proposed questions for this section are listed below. Beside each question, check whether the question provides useful data for you and your organization. If you use data compiled from any of the following questions, please explain how it is used.

1. **At any time during 2007, was this vehicle or vehicle/trailer combination used to transport hazardous materials in quantities large enough to have a hazmat placard on the vehicle required by 49 CFR Part 172 Subpart F?**
2. **What approximate percent of 2007 mileage did this vehicle or vehicle/trailer combination transport hazardous materials?**
3. **What percent of the mileage noted in question 2 above were the following types of hazardous materials carried?**

Do you use data compiled from any of the abovementioned questions?

Yes    No

If yes, how do you use this data?
